Property Description

A rare find, large 1/2 acre property in Playa Pelada. Nosara Springs has begun to flourish with growth over the past year as prices increase closer to the beach in Pelada. With lush jungle growth and limited development, this area is fast becoming a favorite place to buy land for longer term rental properties. The neighborhood is a 15 minute walk to the mouth of the Nosara River and a short jog to the beaches of Pelada. Close to shops, grocery, restaurants, gas station and only a 10 minute ride to Playa Guiones surfing beaches.
