Property Description

Well priced open floor plan home in Playa Pelada on a very private dead end street. Two well-sized master bedrooms with an open layout with lots of natural light. The home is a long-term home well maintained by the owners and shows well. Two master sweets on the same level as the living space that opens up to some great outdoor decks to take in the jungle breeze and relax to the sound of the waves crashing on the Pelada reef. The kitchen and living space are very spacious with high ceilings and lots of light from the exterior. Vaulted teak ceilings open up the bright rooms throughout the home.
