The BBQ area is ample and the gardens and grounds are very well maintained. The front entrance to the property is off of a concrete drive that comes off the highway, giving you 2 wheel drive access all year round. At the start of the property is a security gate that has its own private code. The main house has 2 bedrooms on the first floor with a full bath and upstairs is an ample loft that can be converted into many configurations. Upstairs has a 1/2 bath to accommodate occupancy. The kitchen is small but with all the amenities. The other building has a one bedroom 1 bath studio with an upstairs loft as well.
