Property Description

This 12.5 acre estate lot with spectacular valley views is just a 12 minute drive from Dominical and 5 minutes from Plantanillo. There are two building sites on the property. The smaller building site is large enough for a small home or guest house. The larger building site is above this and is huge - big enough to build your hearts' desire. From this vantage point you'll have a 180 degree view of the picturesque valley and river; as well as; views of the Tinamaste Ridge covered in primary forest. The higher elevation offers cooling breezes day and night. Create a trail down to the creek. If you're looking for acreage in a tranquil and private setting yet close to the beach look no further.
