Property Description

New listing. Great building lot with all services in the exclusive Tamarindo Preserve gated community. Just a short 3 minute walk to 2 beautiful white sand beaches. This gently sloping lot has great topography and is slightly elevated so it catches the ocean breeze. Access from 2 sides, so you could build a main house, and then have a lock out rental unit. It is the best priced lot in the area and the price includes membership to the upscale Langosta beach club. Terrific potential.
