Property Description

A charming little two bedroom, two bath house in the neighborhood of Canto de Gavilanes. This up and coming neighborhood is the closest you can be to "downtown" and the beach while still having peace and quiet. Walk to the beach, local restaurants and you're a stone throw from a local mini super. The home is designed to be opened and allow the air to flow across the house. This fresh home has an additional space on the side of the home that would be the perfect space to add a pool, parking area and garden.
