Property Description

Ready to live in the land of eternal spring? With perpetually mild temperatures and lush green vegetation, the sun shines often for this rustic cabin and riverside property at the foot of Cerro Chirripo, Costa Rica's highest mountain.The cabin has a rustic feel, but its few rough edges could be quickly whipped up into shape, making for comfortable quarters and beautiful outdoor, natural living in the most impressive mountain range of Costa Rica, the Talamancas.The cabin is spacious with three bedrooms and a bathroom, living area, large side porch and kitchen. It sits on an area of 5,799 meters squared, or more than an acre and is bordered by the beautiful Rio Chirripo on one side and a well-maintained public road on the other. The property's topography will delight you with private frontage in the gorgeous wild Rio Chirripo, beautiful volcanic rocky crags with views of Mount Uran, lush fruit trees, little ponds and groves of forest.
