Sold

ID: 08216

📍 Nosara, Guanacaste

- Property Type: Land
- Size: 2200 sq m
- 0.54 Acres

- Status: Sold

Property Description

2 individually titled properties with unobstructed ocean view and a short walk to the beach in Playa Pelada. These beautiful properties are being sold together (seller may be willing to entertain a single lot sale). These spectacular properties have a gentle grade fading to the southwest. The ocean view is easily visible standing on the lots as is however from the 2nd story the view greatly increases. with complete construction design plans! Sellers will include all design plans they have available if desired. The property is located roughly 100 feet above sea level with beautiful sunset views almost all year and a spectacular ocean view to relax and enjoy every day.
