Property Description

Located in the private gated community of upscale Costa Verde is where you will find this expansive ocean view property. With more than enough room (30 meters x 40 meters) to build your dream home, you will be impressed with the amount of usable land on lot#27, ocean views, easy access, and a wide range of amenities. With the Diamante ridge to your east and Pacific ocean to your west, you will love the feeling of a hilltop property. Committed to the first-class infrastructure that includes road maintenance, water, security, and electrical systems supplying the entire community right to your property. The paved road to the development provides one of the quickest and smoothest entrances in Southern Pacific Zone. The wide internal road is lined by lush native and exotic plants. The project boasts an ocean-view recreational shelter for picnics and get-togethers, playground, private landscaping nursery and protected natural areas of native species.
