Property Description

Located in the foot hills of the southern coastal beach town of Uvita, this 49 acre parcel offers dynamic ocean views with feature being the Whales Tail sand bar point. This parcel offers primary rainforest, open areas for gardening, and homesites, and best of all are the numerous waterfalls and pools within the property! Internal roads leading to ocean view sites, and hardwood trees ready for harvest! Hard to find deals like this one with the views, acreage, abundance of water, location, and at an excellent price! Location is only 2.5 km from the center of the beach town of Uvita, where you will find shops, restaurants, amazing beaches, all kinds of activities. There are many detailed topo studies and other detailed info that come with the sale of the property. If you are seeking that unique property offering waterfalls, ocean views, primary rainforest for boutique eco resort or green community, this is the one! Contact me for more detail or to set up a property viewing.
