Property Description

Easy access, very private, 4,000 ft² under roof with 3 bedrooms 2 baths on just under 5 acres of land near the coastal tourist town of Quepos and Manuel Antonio now being offered at quick sale price! This beautiful home comes with spacious kitchen and dining area, and large bedrooms, and huge decks! There is always a comfortable breeze, and the altitude offers a comfortable temperature where A/C is optional. Conveniently located to several uncrowded beaches and all the amenities one would need in the nearby town of Quepos, which also has a local airport for charter flights back to San Jose. Priced to sell!
