Property Description

Right on the Baru River, 200 yards from a three star hotel, and a 5 minute walk into Dominical town and the surf. The developer has water in place, is currently putting electric meters, and will be putting pavers in the entrance. You can enjoy playing in the Baru, bird watch, kayak, SUP the river which is just across the road from the lot. This is a great opportunity for someone looking for a rental income or a great location to live and work in Dominical town. Because this lot is located on the river you get a very nice breeze year round. This is the last lot to be sold of the six lot that were developed. I actually bought a lot for my family so if you have any questions please feel free to ask.
