Property Description

--- UNDER CONTRACT --- Lote Miramar is hands down the best ocean view property in Samara. It's located in an elevated hill in downtown Samara about 200 feet above sea level. It's in the center of town yet private and secure. The lot is just a short 5 min walk to the beach and all that Samara downtown has to offer. The large building pad offers tons of space to build a large home, several dwellings or a larger project. This property is zoned for mixed use and up to 70% development of the land is permitted. This is the perfect property to build your dream home, a small boutique hotel, villas or a combination of all. The property already has a water and electric meter installed.
