Property Description

Charming Playa Ocotal Home walking distance to the beach. The area offers many upper end villas and a calm Bay for aquatic recreation. This 2 bedroom, 2 bath home has a nice open floor plan offering; fully equipped kitchen with granite counter tops, separate laundry room, arched opening from the kitchen overlooking the living area, granite bar top, high ceilings with Costa Rican hardwood (rare in newer homes constructed today). Just a short drive to Playas Del Coco for all shopping and day to day services. Enjoy this home for your vacation/2nd or retirement home. Also good rental location. Best Ocotal price for a single family home, walking distance to the beach!
