Property Description

Located on a main paved street 13.45 meters wide with 255 meters of frontage. The terrain is flat with moderate slopes. Ideal for housing development, logistics or storage warehouses, textile industry, manufacturing, food industry, etc. According to the regulatory plan of the municipality of Greece, the property is located in the Future Development Zone (ZDF), which makes the property very versatile so that it can be developed in different areas of business. In front of the property is the three-phase and fiber optic type electrical wiring, it also has access to water for its development. The sale price of only \$ 40 per m2 greatly favors the project to be developed. Excellent location just 5 minutes from the center of Grecia.
