Property Description

A rare opportunity to own this beautiful riverfront Organic Farm and Tree Nursery, gently sloped large property, surrounding beautiful forest, citrus plantation, ideal for two or more homes. Enjoy an established professional organic permaculture garden and employees. Many mature trees and open areas, perfect soil for expanding the current facilities. The property includes a newly constructed fully equipped commercial greenhouse (520m²), a marketplace and/or yoga rancho (120m²) and an irrigation water well. Two building sites have already been prepared on the property. Please do not hesitate to contact Jim Ewing at jim@surfingnosara.com
