Property Description

Terreno para Desarrollar en Concepción de Tres Ríos The land is located on a paved main street with high traffic, with a front of 325.49 linear meters. It is flat with some slightly sloping slopes. Due to its location and land use, this land is ideal for the development of a vertical or horizontal condominium or a horizontal residential. According to the regulatory plan of the Municipality of Tres Ríos, the land is located in a Medium Density Residential Zone (ZRMD) and a Medium High Density Residential Zone (ZRMAD), which allows lots from 120 m2 to 200 m2. You have access to all the services necessary for your development. The sale price is \$ 79 per square meter. The land is sold in its entirety, not in parts.* Those photos have an illustrative character.
