Property Description

Wonderful 2 story house surrounded by lush green forest, fruit trees, vegetable gardens and another income building. The property is located in San Pedro de La Tigra, close to La Fortuna and Ciudad Quesada. It has fantastic neighbors: the Ecological Private Reserve El Futuro and Quebrada San Pedro, bringing to the property the beauty of the nature. It is also close to diverse tourist attractions such as hot springs, Proyecto Asís, kayaking, rafting and more. The house is recently remodeled and sellers are motivate to sell. Don't miss this wonderful opportunity.
