Property Description

With a beautiful construction area this homesite has everything you can dream of - beautiful views of the ocean where you can appreciate the majestic sand creation called the Whales Tail and the best destination for Scuba diving and Snorkeling in Puntarenas, Cano Island, straight from the patio or balcony of your new home. See wildlife in and around your property thanks to the great care that is given in this country to the flora and fauna. This property has two great building sites, one already excavated and the other one on the lower part of the property with the perfect amount of room for a nice villa built over platforms facing the ocean and surrounded by trees and jungle flowers, the ideas are countless and the potential is endless. Surrounded by forest and dense vegetation with the coolest breeze and tropical climate you will feel the greatest peace and tranquility and your life will be easier than you ever thought.
