Property Description

Welcome to this breathtaking 16-acre property in Uvita, Costa Rica! With multiple building sites available, this property offers the opportunity to create your own dream home, vacation rental, or investment project in paradise. The expansive 6.3-hectare lot is priced at an incredible \$475,000, offering tremendous value for a property of this size and location. Located along a public road with easy access, the property is equipped with legal electricity and water connections. This means you can start building your dream home right away, without worrying about any additional permits or installations. The stunning mountain and jungle views from the property are nothing short of awe-inspiring, providing a serene and tranquil environment that is perfect for unwinding and enjoying the natural beauty of the region. With a convenient 7-minute drive to downtown Uvita, you can easily access all the amenities and attractions the town has to offer.
