Property Description

Derived from a fusion of the Bribri words "Yu" meaning peace, and "Sara", a modified form of "Sarapiqui", a river known for its serenity. Yusara embodies the tranquil spirit of Nosara's beach and jungle. In the local folklore, the ancient elders used to tell stories of a mystical place called Yusara, a sanctuary where the sound of the ocean's waves and the rustling of the jungle leaves come together in a harmonious symphony of tranquility. Here, the balance between mankind and nature is perfectly maintained. Discover the charm of Yusara Studio, a cozy unit designed for those who seek modern comfort and relaxation. With 1 bedroom and 1 bathroom, this villa offers an inviting escape for solo travelers or couples. Step onto your private patio, where a rejuvenating hot tub awaits your indulgence. The ambient glow of the fire pit creates the perfect atmosphere for unwinding after a day of exploration.
