Property Description

This beautiful 2-bedroom, 2-bathroom Colina condominium seamlessly blends modern design with classic colonial architecture, situated in the heart of Los Sueños Resort and Marina. The open floor plan is perfect for hosting gatherings, providing an inviting and cozy living space that embraces the Pura Vida Lifestyle. Nestled in the resort's lush rainforest along the 9th hole of La Iguana Golf Course, this garden oasis offers a unique experience. Colina Residences, a low-density luxury community, is not only a great family-oriented haven but also an excellent option for your tropical retreat, international investment, or primary residence. The horseshoe-shaped community places all amenities at its center, including an adult pool with a swim-up bar, jacuzzi, palapas, and BBQ area. Additionally, there's a family pool with a lap lane, an air-conditioned gym, and on-site management for your convenience.
