Property Description

This property is located in one of the most popular gated communities in Athens. It is well known not only for its proximity to the city center but also for being a very quiet residential area mostly inhabited by expats. The distance to the city is less than two miles, where you can find different options for restaurants, pharmacies, supermarkets, gas stations, and more. This house has two bedrooms and two bathrooms, with a beautiful view of the mountains and the peace and tranquility that this residential area offers. Contact us and let's schedule a visit to this lovely house. Financing is possible, ask us how?
