## Property Description

Spacious house located in a very nice residential area with a magnificent location. The house has two floors, is corner and is surrounded by a beautiful garden. It has a garage for two vehicles and a curtain gate with an electric motor. The dining room is very spacious and has a small terrace at the exit to the side garden. The kitchen is very spacious and has a good-sized dining room and pantry. It also has a half bathroom for visitors, a room that can serve as an office with a closet. Full service room with closet and bathroom. It also has a large utility room with a clothesline. On the second level is the master bedroom with a walk-in closet and a large bathroom which was recently remodeled. Two rooms with the same entrance, both with closet. A secondary room with closet. A full bathroom shared by the three secondary bedrooms. The floors on the first level are in palladian and those on the second level are laminate.
