Property Description

Escazú Bosque Residencial: Exclusivity and Nature in the Heart of Escazú ID22327Escazú Bosque Residencial. It has an excellent location in Escazú, near the Costa Rica Country Club, on a unique plot of land. The 17,000m² property will maintain more than 10,000m² of green areas, trails, and gardens. The project will feature a total of only 48 apartments distributed across 3 buildings, making it a very low-density, highly exclusive project. Currently, we have completed apartment units for sale in Phase I (Building A with 5 levels, 4 apartments per floor, and 20 apartments in total). The apartments are 300m² with a 3-bedroom option. Additionally, we are now offering pre-sale and off-plan apartments in Building B, which will begin construction in a few months, with 3-bedroom options starting at \$795,000. The project boasts beautiful views and top-notch amenities, as well as Italian finishes by Kamalio.
