Property Description

This unique property, located just minutes from downtown Atenas, consists of two interconnected buildings joined by an inner courtyard, with a staircase at each end. The complex features a total of seven apartments: • Two cozy one-bedroom, one-bathroom units • Four spacious two-bedroom, two-bathroom apartments • One large two-bedroom, two-bathroom apartment with a generous terrace. Built-in 2022, the property boasts modern construction with air conditioning units in the main bedrooms for added comfort. Nestled at the end of a quiet cul-de-sac, the property offers secure parking spaces for residents. If you are looking for a turn-key income-generating investment, this is an excellent opportunity in Atenas! Financial details are available upon request
