Property Description

This beautiful home is located less than 5 minutes from the heart of Atenas, tucked away in a quiet dead-end street that guarantees a serene and peaceful environment. Lovingly designed by its owners, every detail reflects their care and dedication to creating a warm and inviting retreat. The use of high-quality materials is evident throughout, with wood playing a central role in the design, from the carport structure to the furniture and the exquisite ceilings. The house, built on a single level, offers four cozy bedrooms, a dedicated office, and three tastefully designed bathrooms. The front of the home welcomes you with a delightful kitchen and dining area that opens directly onto the pool, making it an ideal spot for entertaining or simply enjoying the view. High ceilings made of exotic wood add a sense of space and elegance, while insulation beneath the roof ensures that the home remains cool and comfortable all year round.
