Property Description

Here's a more natural, conversational description: Find your piece of paradise at Espavel #65, tucked away in the enchanting Bosque Tropical Village of Pacífico, Playas del Coco. This modern home captures the essence of Costa Rican living, where the line between luxury and nature beautifully blurs. The architecture speaks to those who appreciate contemporary elegance – striking black-framed windows contrast with warm wood elements, creating a seamless flow between indoors and the lush surroundings. Cool off in your private pool, where the only sounds are birds calling from the canopy above and the gentle rustle of tropical foliage. Every detail of this home has been carefully considered, from the premium finishes to the thoughtful layout that maximizes both comfort and views. Step outside your door to explore the community's hidden gems – meandering walking trails, a charming picnic grove, and a peaceful yoga deck nestled in the trees.
