Property Description

This is not just a house—it is a journey, an invitation to experience elegance, serenity, and connection with nature in a way that is truly rare. Every step through this property reveals a new layer of its beauty, blending Balinese inspiration with exceptional craftsmanship to create a home that is both sophisticated and deeply soulful. A Home in Exceptional Condition: Stepping onto the property, you immediately sense the care and dedication that have gone into maintaining its pristine condition. Every element has been thoughtfully restored and enhanced, ensuring that the home is not only breathtaking but also effortless to live in. The brand-new roof stands strong, while the fully renewed woodwork and carpentry add warmth and authenticity. The home has been completely repainted, allowing its textures and details to shine anew. Sustainability and comfort go hand in hand, with new solar panels providing energy efficiency, and a state-of-the-art drainage system ensuring that the lower level remains perfectly dry, free from any humidity concerns.
