Property Description

This stunning 34-acre property in the charming mountain village of San Ramon Norte offers an exceptional opportunity for development. Nestled at a refreshing altitude of 1,200 meters, the land enjoys a cool climate year-round, along with breathtaking views of the surrounding mountains and valley. With multiple prepared lots and internal roads throughout, the property is well-suited for a residential community or an eco-village. Water is readily available from the local ASADA and an on-site spring, while electricity is accessible from the bordering public road. Despite its peaceful and private setting, the property is conveniently located less than 30 minutes from downtown San Isidro de El General, where all major services and amenities can be found. For those who enjoy the coast, the region's beautiful beaches are just over an hour away. Whether you're looking to create a sustainable retreat, a mountain getaway, or a thoughtfully designed development, this property provides the ideal foundation for your vision.
