Property Description

This beautiful property is located just 5 minutes from the center of Atenas. There are three lots available, each one measuring between 7.000 and 7.400 square meters. The property has access with a gate away from the street which makes it a very quiet and safe place to live. Each lot has access to public services, including water and electricity. The area has fiber optic internet coverage. In addition to all of this, you get views of the mountains and part of the central valley. Lot #1 is completely flat and is offered at \$30 per square meter. Lot #2 has flat and irregular area and is offered at \$28 per square meter. Lot #3 has an irregular topography and is offered at \$95.000.
