Property Description

Casa Oktara is part of the exclusive five-home Calle Maleku gated community. It was the first home this developer designed; you can see the amazing layout and details throughout the house. As soon you arrive at this gated community, you will be surrounded by High-end homes which were built by the same developer in order to keep the high quality and the mix of the luxury with the jungle. In addition, to offer a secure entrance, the community offer underground utilities, great condition roads and a management company in place in case you want to rent your home as a vacation rental and generate a great ROI. Casa Oktara is a luxurious retreat for your mind, body, and soul. Located at 1000 feet above sea level, this two-story luxury home includes panoramic views of the Pacific Ocean and the Osa Peninsula. Casa Oktara features an amazing open floor plan layout. It features luxurious amenities such as a HUGE covered terrace with BBQ area, a lush rainforest jungle, and a big infinity pool.
