Property Description

This stunning 5-acre property features the best views in Dominical, sitting atop the ridge overlooking the Dominicalito Bay and down the coast in both directions. This one of a kind parcel features 360 views of the entire coastline and Diamante Valley views. There is more than enough space on this 5 acres of land to build a hotel or an eco-resort and would make an incredible private estate. The ocean views are absolutely astounding. Infrastructure is in place with new electric, water tanks, and proper drainage systems to take water off the building sites and down the hill. At this point there are 3 established, spacious building sites, however, more could be added. Several waterfalls are within walking distance including the areas number one tourist attraction-Nauyaca falls.
