Property Description

Jacana House, Manuel Antonio Estates 4200 square foot house with nearly ½ acre lot (18,250 sq. ft.) The fully furnished, majestic Jacana Villa has an open-style floor plan, western style kitchen and dining room, and a tranquil swimming pool. The sliding glass doors in the kitchen open to the terrace overlooking the surrounding rainforest and Pacific coastline, with a barbecue to grill the catch of the day. This expansive home can comfortable rest up to twelve guests within its large living area (2-Queen, 2-Double and 1-Single with Two Beds, 6 Full Baths), all while you escape to your stunning master bedroom complete with on suite and sensuous Jacuzzi tub. The house sits on a high ridge along side other million dollar homes so you know you will have good neighbors to protect your investment. This home has been used for several years as a rental and has a solid rental history that will be made available to interested buyers.
