Property Description

The best "Costa Ballena" View property available! 40 acres of gently rolling ridgeline offering shotgun views of the "Whales Tail" sandbar and reef in the heart of the "Ballena Marine National Park". Approximately 50% of the property is in virgin rainforest with two streams flowing through the forested section, loaded with wildlife! The remaining acreage has an access road that runs from the entrance all the way up to the highest part of the farm, and has several entries in to access multiple terraces already in place and ready to build on. User friendly developmental parcel, or an exclusive estate type of parcel. Electric available at lower portion of property, and water available throughout! One of the best price parcels compared to what else is out there and available!
