Property Description

Casa Francesca is an adorable two bedroom home on a large lot in the desirable neighborhood of Buena Vista. There is colorful tile in the kitchen and bath and a local artist has painted interior murals. There is a great covered patio - perfect for outdoor dining, hammocks and BBQ. Enjoy the natural beauty of Playa Buena Vista just a five minute walk out your front door. Playa Samara and the center of town are just a 10 minute bike ride and a very short drive. The area is peaceful and serene but still close enough to everything you need. The large lot is perfect for expansion or building bungalows for increased income potential. A great deal!
