Property Description

You will find few opportunities to finance the purchase of a secure, high-quality home in Costa Rica with a location this perfect. Nestled in a quiet neighborhood just ten minutes from some of Guanacaste's best beaches and surf, this 3 BR/4 BA home is comfortable enough for discerning foreign buyers and it is being sold fully-furnished and move-in ready.The owners are offering financing on terms that you never see in this region – for qualified buyers they will accept just 50% up front with the rest paid off over a maximum of ten years.The location provides you access to everything you want in Costa Rica – there are gorgeous, serene beaches nearby and the home is just a few hundred yards from a paved highway that gets you to the airport in an hour. Everything you need is close – the fun nightlife and amazing restaurants of Playa Tamarindo are only 30 minutes away and the city of Santa Cruz (also a 30-minute drive) has banks, the municipality and plenty of supermarkets.
