- Size: 1246 sq m
- 0.31 Acres

- Status: Sold
- Acreage

Property Description

This is a huge flat lot suitable for a large house. It has jungle views and is very sheltered. There is some enormous bamboo at the one end that is a great show piece! You can hear the calming sound of the river running. There just aren't many lots like this at only 59K and we have other great lots in this same community. Call us at Coldwell Banker Pura Vida Paradise for more information and a showing today!
